Liu Guangyun: Soft Power

Chinese contemporary artist Guangyun, who resides between Shanghai and Mainz, Germany, brings his collage-style "remakes" to Spain for only the second time – visitors to Madrid's Reina Sofía museum were lucky to catch Liu's quirky works in 2007. By taking and manipulating images of female models and silk flowers, Liu aims to show the fragility of beauty. Until 10th May.

♣ **Open:** Tue-Sat. 11am-2pm and 7pm-9pm. C/ Enric Granados, 61 (Eixample)  Free entry ☎ 93 452 05 92. www.n2galeria.com
